

Maintenance Worker I

SALARY RANGE
\$15.45 - \$24.27 Hourly

Non Exempt

2903.01 FUNCTION/AUTHORITY/RESPONSIBILITY:

Under direct or general supervision to perform tasks involved in the interment of human remains, leads, and participates in the more complex and difficult work of a crew responsible for providing Cemetery operation and maintenance, repair; may oversee the work of lower-level grounds staff on a day-to-day basis; performs routine to complex maintenance and repair work, including Cemetery operations, Cemetery facilities and buildings, landscapes, irrigation systems and controllers, and weed abatement; provides assistance with set-up and removal of equipment and oversees the operations for burials; skillfully operates heavy equipment; performs a variety of technical tasks; and performs related work as required.

2903.01.1 Incumbents in this class perform all the duties of a Groundskeeper, and assignments are more varied, and are performed with greater independence. Maintenance Worker I positions are normally filled after gaining knowledge, skill, experience, and after demonstrating the ability to perform work of a higher level in Cemetery operations, infrastructure, systems, and facilities. Responsibilities include performing a wide variety of tasks related to the operations of a Cemetery, including technical and functional supervision to lower-level staff, participating in training, leading, and the digging and set up of burials.

2903.02 WORK ENVIRONMENT:

2903.02.1 Must possess mobility to work in the field; strength, stamina and mobility to perform medium to heavy physical work, to work in confined spaces and around machines, to climb and descend ladders, to operate varied hand and power tools and construction equipment, and to operate a motor vehicle; ability to read printed materials and a computer screen; ability to communicate in person and over the telephone or radio. The job involves fieldwork requiring frequent walking in operation areas to identify problems or hazards. Finger dexterity is needed to access, enter, and retrieve data using a computer keyboard or calculator and to operate above mentioned tools and equipment. Employees must bend, stoop, kneel, reach and climb to perform work and inspect work sites. Employees must possess the ability to lift, carry, push and pull materials and objects weighing up to 100 pounds, or heavier weights with assistance and/or with the use of proper equipment.

2903.02.2 Employees work in the field and are exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, road hazards, vibration, confining workspace, chemicals, mechanical and/or electrical hazards and hazardous physical substances and fumes. Employees may interact with upset staff and/or public and private representatives, and contractors in interpreting and enforcing Cemetery policies and procedures.
